

JA BizTown Parking Instructions

We ask that **no volunteers or buses park in front of the building**. Once students have been dropped off at the **JA BizTown Entrance around the back of the building**, buses can park in the highlighted lot or go across the street to park. Volunteers should also drive to the back of the building and park in the highlighted lot. **Busses must pick students up at the JA BizTown entrance at the end of the day – students may not walk to the busses; the busses must come to the students.**
