

Storefront Volunteer Assignment Sheet

- A list of parent volunteers registered with your group will be emailed to you 1 week prior to your visit. Please use that list to assign volunteers to businesses.
- We recommend that parents are *not* with their students, but ultimately we leave that decision up to you.
- Please assign one parent per storefront, then assign multiples if you have enough parents.
 - *If you do not have enough parents to fill in all slots, we may assign community volunteers to fill in the gaps.*
- Only assign volunteers to storefronts which your students are staffing.
