

Junior
Achievement™
of Greater Kansas City

BRIGHT NIGHT, BRIGHT FUTURES

APRIL 30, 2027

The Gallery Event Space,
KC Power & Light
7:00 pm - 10:00 pm

Step into a night that's as bright as the futures you're helping create.

Bright Night, Bright Futures is Junior Achievement of Greater Kansas City's inaugural spring fundraising event. Join us for an unforgettable evening filled with entertainment, movement, and inspiring moments, all in support of the young people we serve across Greater Kansas City.

This isn't your traditional gala. No seated dinner. No lengthy program.

Just a bright night with a bold purpose.

Come ready to dance.
Come ready to mingle.
Come ready to make a difference.

As a founding sponsor, you'll help launch what we believe will become a signature Kansas City event while investing in experiences that help students achieve academically today and economically tomorrow.

Together we can bring hands-on, career-connected learning to life through experiential learning solutions that spark curiosity, build capabilities, and open doors to future opportunities for students throughout our region. Your investment helps scale this impact, empowering students to build confidence, connect learning to future opportunities, and envision a path toward economic mobility and success.
