

One Day. Big Impact. Volunteer at Junior Achievement BizTown®

You're not just a chaperone when you volunteer at JA BizTown. Here, you're a part of the student experience, joining their team as a mentor in a storefront. You'll guide 4-8 students through their roles, answer questions, and keep them on track as they complete their tasks. You will be assigned to a specific business in the town and serve as mentors for your students' classmates, while your student works in a separate business.

Don't worry - your student will come see you during the day!

What do I need to know?

TIME COMMITMENT

8:30am - 2:00pm is the typical schedule.

You will receive actual hours upon signing up for the day. Volunteers are encouraged to bring a snack. Volunteer breaks will not be at the same time as student lunches.

You will arrive at the facility before your student.

TRAINING

Training is provided on the morning of your shift before students arrive. Just bring your energy, curiosity, and a willingness to jump in!
