

BRIGHT NIGHT, BRIGHT FUTURES

APRIL 30, 2027

The Gallery Event Space,
KC Power & Light
7:00 pm - 11:00 pm

Step into a night that's as bright as the futures you're helping create.

Bright Night, Bright Futures is Junior Achievement of Greater Kansas City's signature spring fundraising event. Join us for an unforgettable evening filled with connection, celebration, and impact.

The evening begins with cocktails, interactive fundraising activities, and networking before guests gather for a dynamic program highlighting the impact of Junior Achievement.

Together, we'll celebrate our Educator of the Year and Volunteer of the Year, recognize our newest Business Hall of Fame laureates, and hear powerful stories that demonstrate how JA is preparing students to thrive in school, work, and life.

The celebration continues with The Afterglow, an elevated lounge experience featuring live music, cocktails, and an energetic atmosphere.

We encourage guests to wear vibrant colors that reflect the spirit of the evening. Because this event is designed for connection, celebration, and movement, comfortable footwear of any style is welcome.
